Hot Weather Time is Corn Flake Time

Therefore, now is the time, here is the place, and SUNBEAM CORN FLAKES are the Goods. The other lot of Corn Flakes certainly did please the people of this vicinity, from the way that they sold and the people re-order them. You know the old saying is the proof of the pudding is in the eating. Well it is the same with the Corn Flakes. The lot has just arrived from New York so you can feel sure that they are nice and fresh. Remember the price is 3 pkgs. for a quarter, and you get 2 oz. more in a pkg. than in any other Corn Flakes. If you have not tried these Corn Flakes yet, try them with your next order. They will please you.
